

## Darling Cellars "Bush Vine" Sauvignon Blanc 2008

main variety Sauvignon Blanc

vintage 2008

analysis alc: 12.11 | ph: 3.45 | rs: 2.1 | ta: 6.2

type White

producer Darling Cellars

style Dry

winemaker Abé Beukes & Welma Myburgh

taste Herbaceous

wine of Coastal

body Full

### tasting notes

Herbaceous notes, asparagus and green fig dominate the palate with a wonderfully full palate and racy acidity on the finish.

### ageing potential

Drink within 2 years of vintage.

### blend information

100% Sauvignon Blanc

### in the vineyard

Terrir: Vineyards strategically planted on South-West facing slopes to capture cool breezes from the Atlantic Ocean and cold Benguela current. Deep soils from decomposed granite, clay rich, with good drainage.

Vineyard type: Bush Vine, no irrigation

The recent demarcation of the Darling district has led to a focus at Darling Cellars on wines which are terroir and varietal specific. The cool and temperate West Coast climate lends itself to a different micro- and mesoclimate which, along with the different types of soil, lead to unique grapes, which we guide into even more unique wines. Having 99% of all vineyards dry land and almost the same percentage as bush vine, this is as close to what nature intended for grapes to be as one can get.

DC is a wine range of straight varietals where the focus is on fruit driven, varietal true, value for money wines.

### about the harvest

Yield: 5-6 ton/ha

Balling at Harvest: 21° - 22° B
