tasting notes

A pale golden color with lime green tinges gives a hint to the flavors that might follow. The bouquet displays buttery, toasty, ripe apples and citrus notes. Flavors follow through on the palate with a crisp, well balanced acidity and undertones of brioche and butterscotch due to extended lees contact.

in the vineyard

Never a fast process, developing our Methodé Cap Classique was no exception to the rule. The Chardonnay grapes were harvested at optimal ripeness for a MCC, a little higher in acidity and not overripe to preserve the natural acidity and have a low alcohol. Secondary fermentation leads to the buildup of pressure and infusion of bubbles into the wine, making this a stunning, naturally bottle fermented, matured on lees MCC. Definitely wines to look out for, as they are only available from the cellar door and at selected outlets.
