tasting notes

Typical tropical flavours on the nose with passion fruit and guava dominating. These flavours together with hints of grassiness are carried through generously to the palate with a zesty long aftertaste.

blend information

100% Sauvignon Blanc

in the vineyard

Bush vines "no irrigation" Yield: 7/8 tons per hectare Terroir: Deep soils from decomposed granite. Climate: Vineyards strategically planted to capture cool breezes from the Atlantic Ocean and Benguela current. Nestled in a region blessed by superlative vineyards, exquisite Flamingoes and rare orchids, Darling Cellars is located close to the tiny hamlet of Darling on the cool West Coast of South Africa. As a privately owned winery with almost 1,700ha under vine, situated mainly in the newly discovered premium vineyard of "Groenekloof", our wines are set to rival the best in the Cape.
